

Birth rates in the world

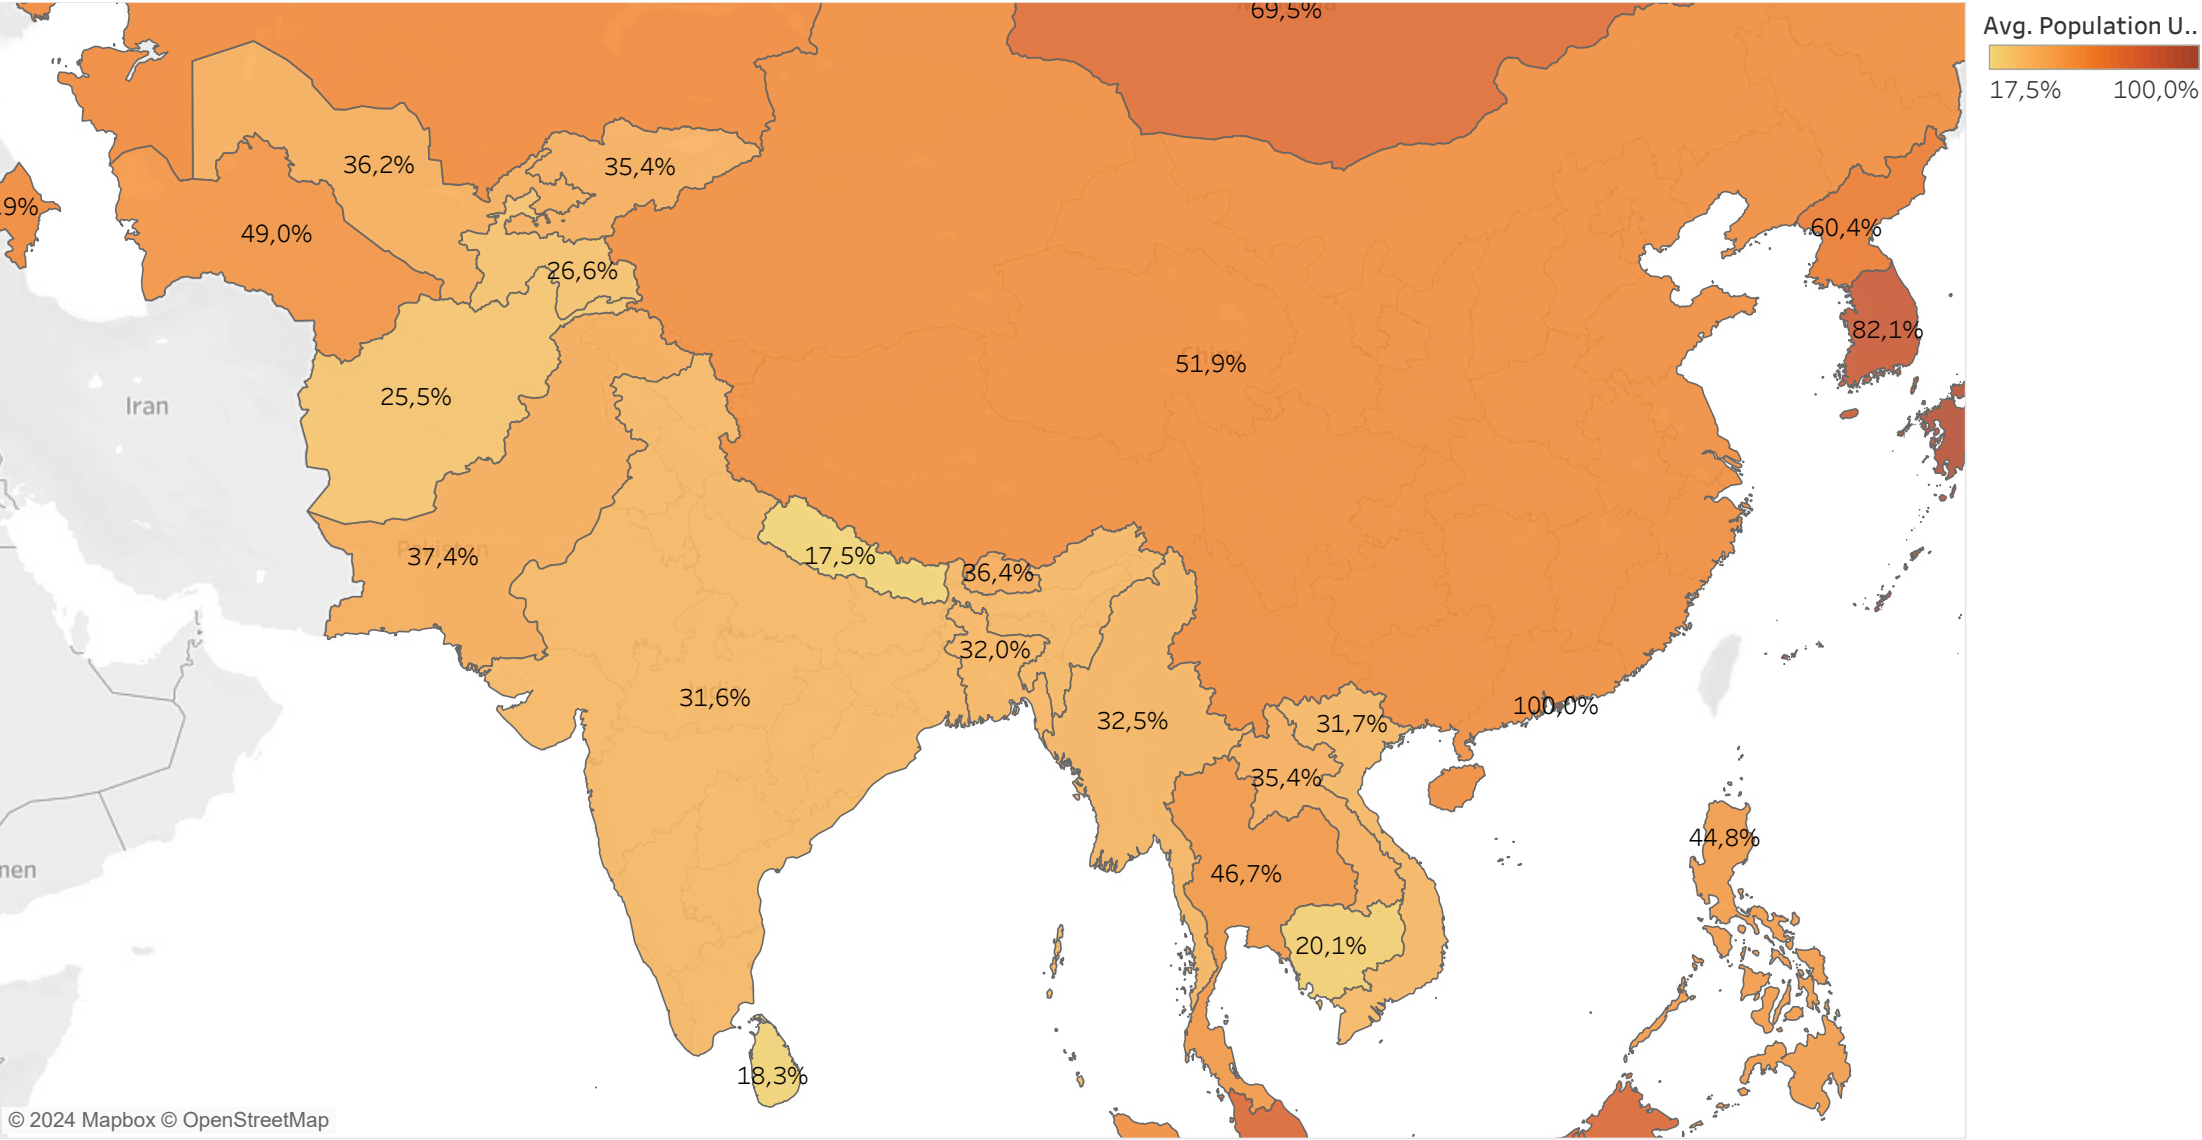

Map based on Longitude (generated) and Latitude (generated). Color shows average of Birth Rate. The marks are labeled by average of Birth Rate. Details are shown for Country/Region. The data is filtered on Year Year, which keeps 2012.

World population

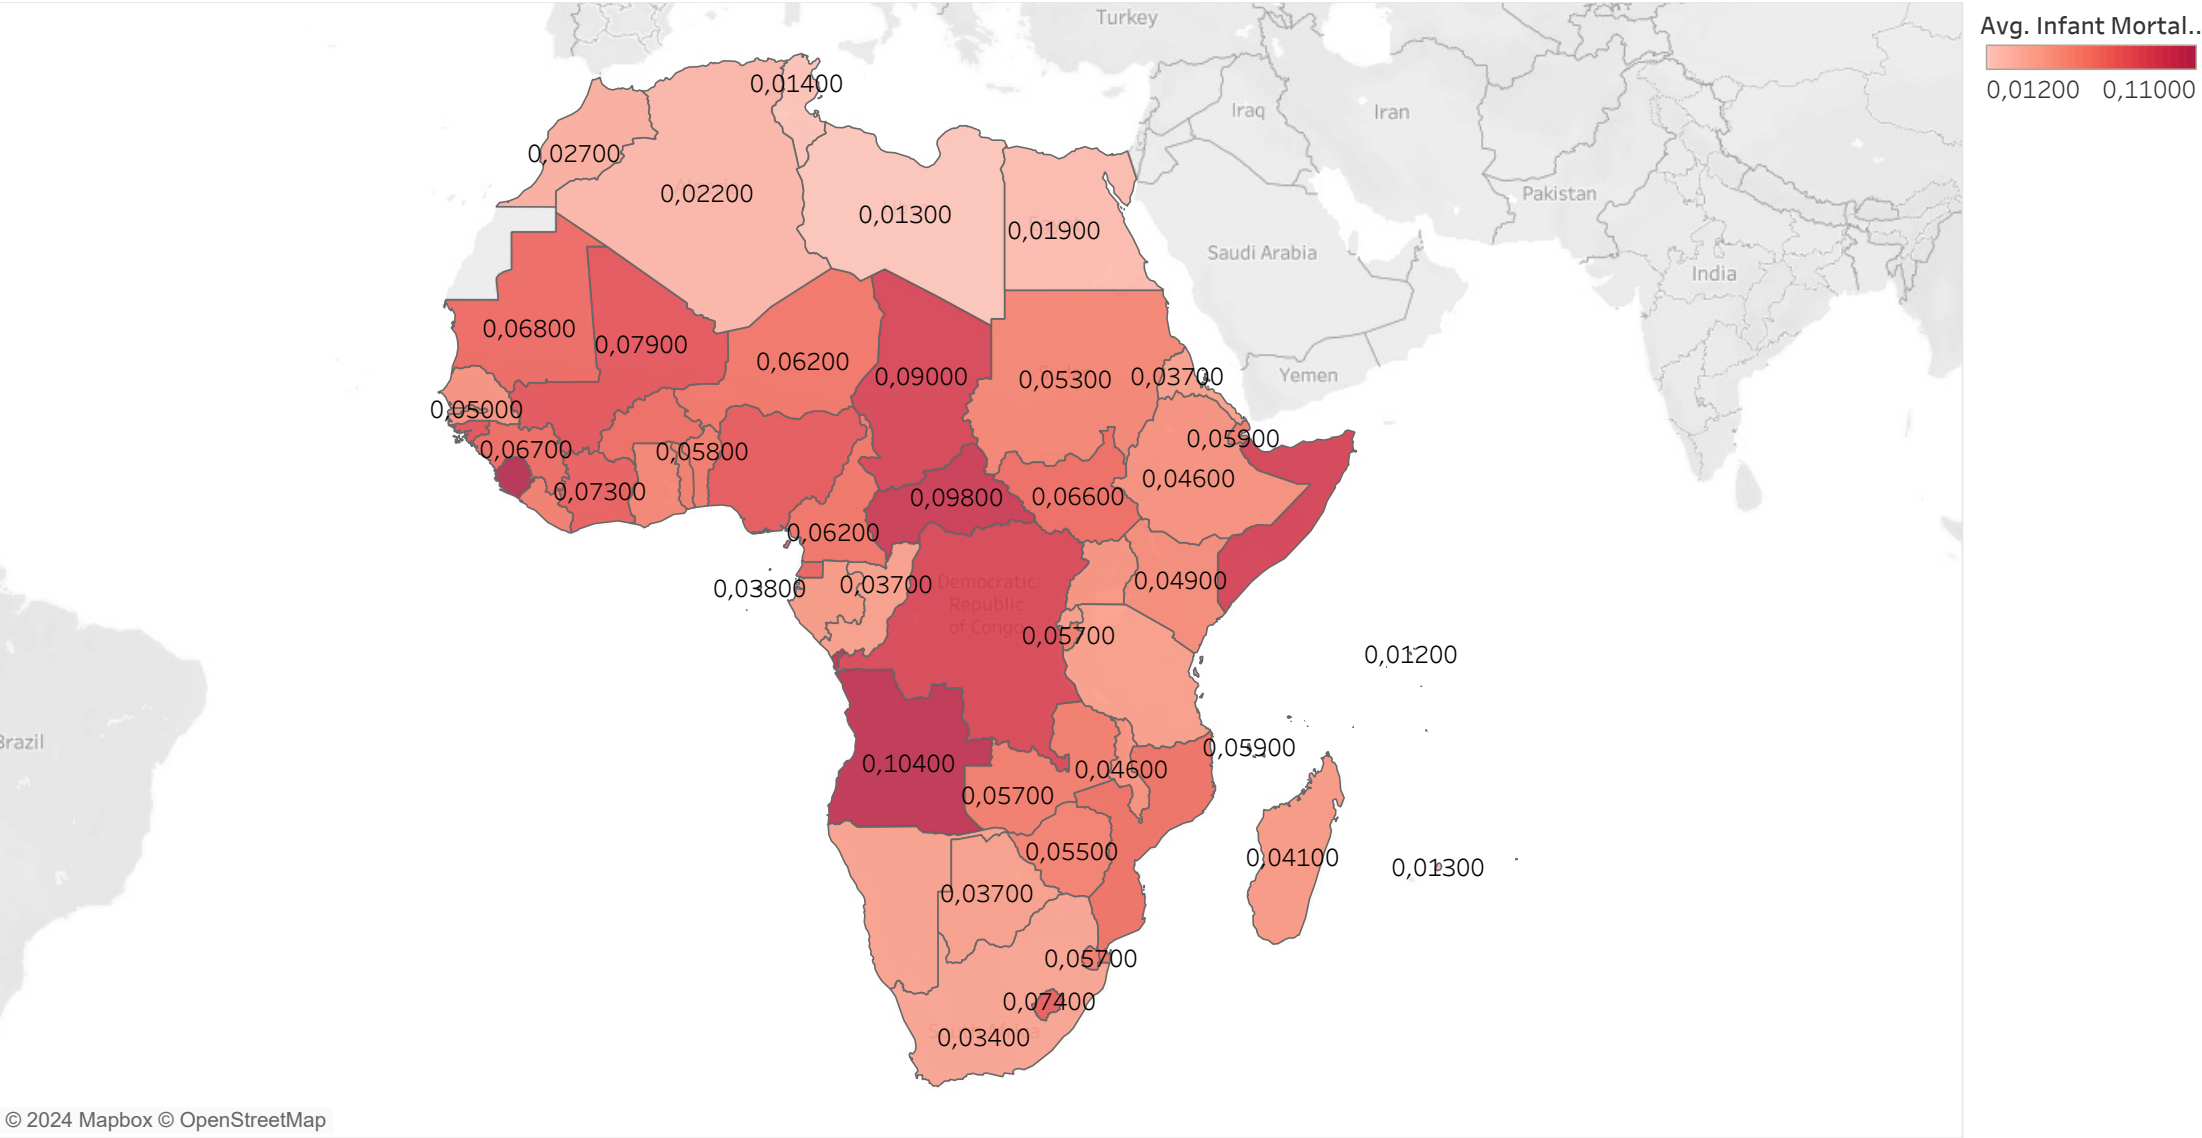

Map based on Longitude (generated) and Latitude (generated). Color shows average of Population Total. The marks are labeled by Country/Region. Details are shown for Country/Region. The data is filtered on Year Year, which keeps 2012.

Percentage of urban population in Asia

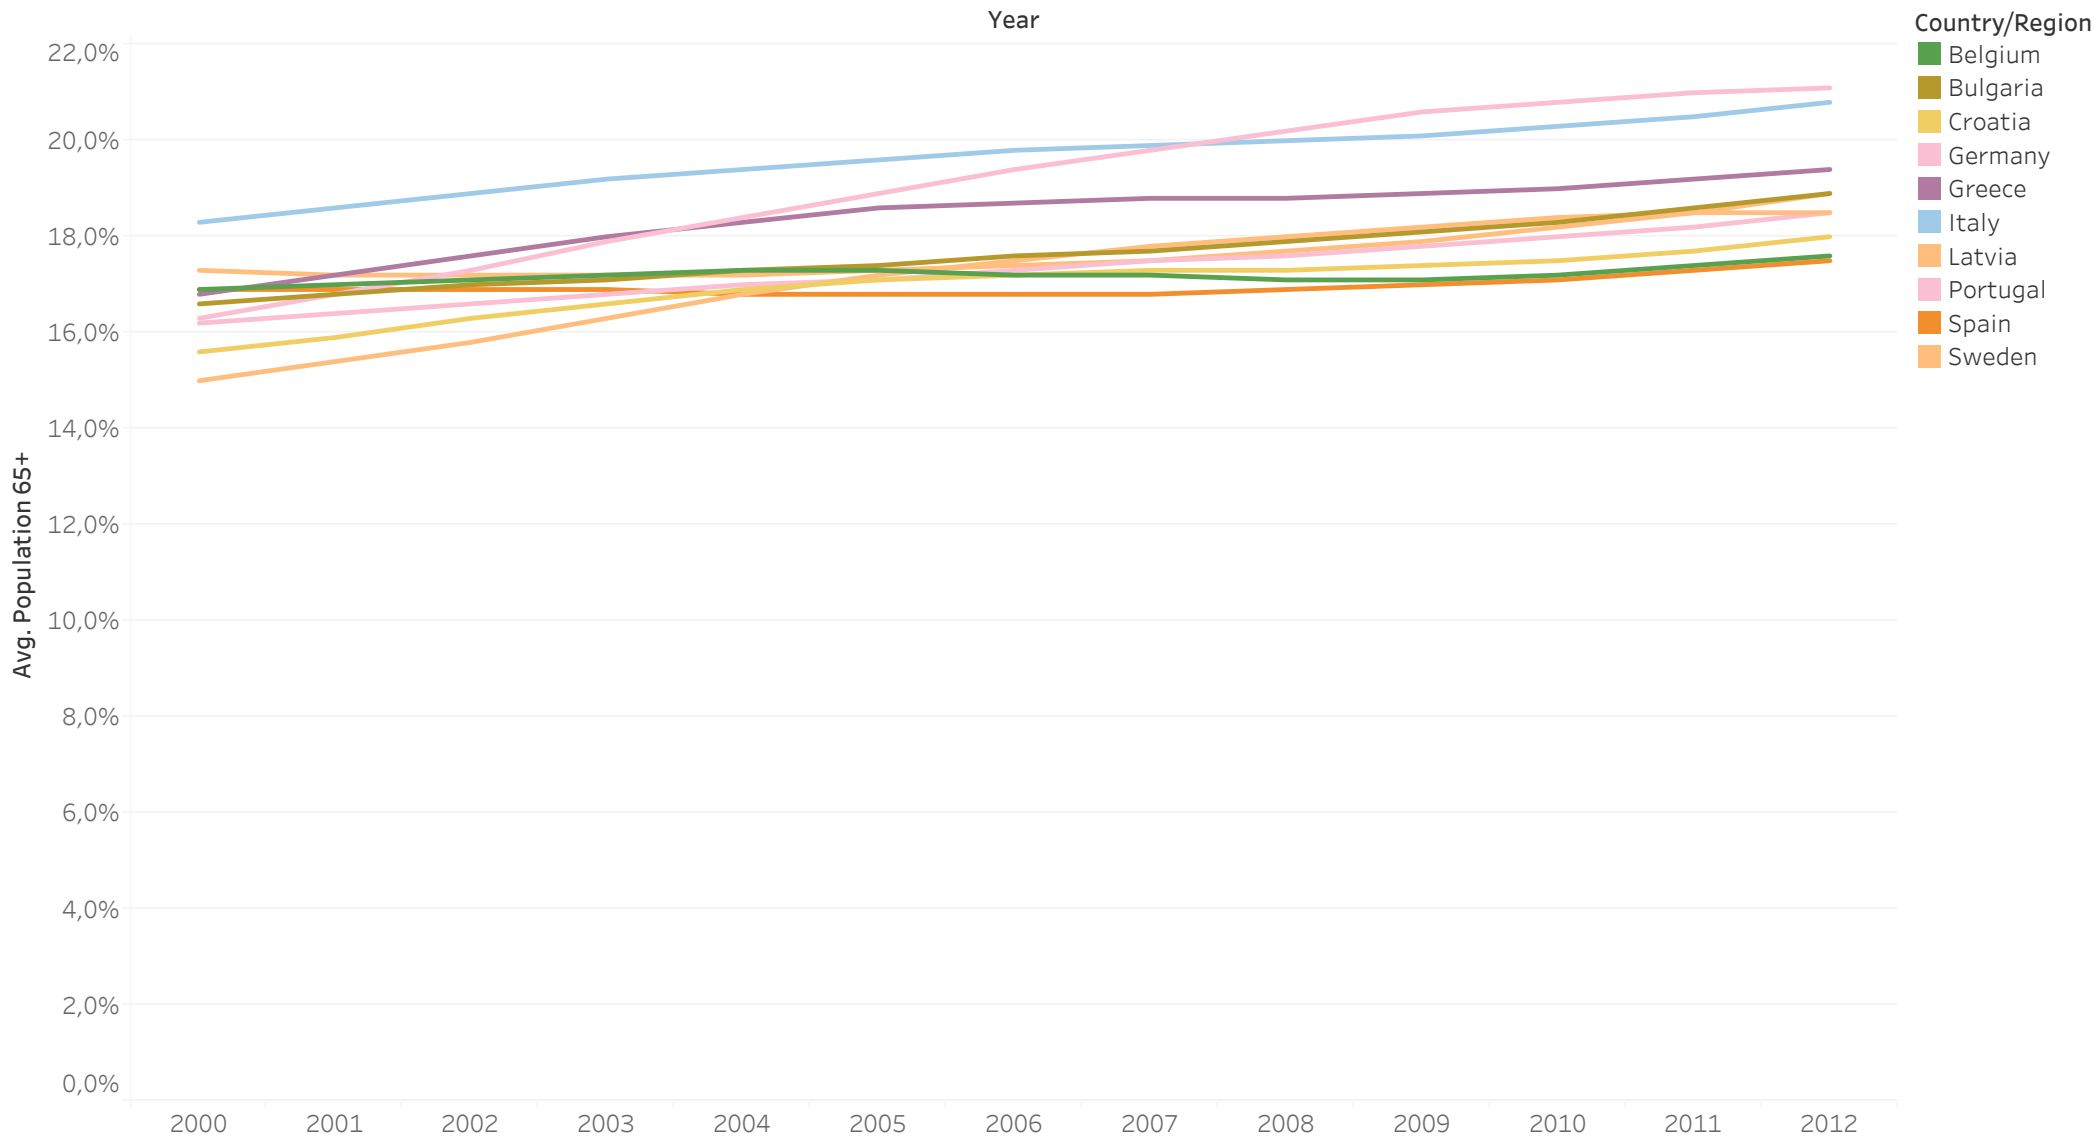

Map based on Longitude (generated) and Latitude (generated). Color shows average of Population Urban. The marks are labeled by average of Population Urban. Details are shown for Country/Region. The data is filtered on Region and Year Year. The Region filter keeps Asia. The Year Year filter keeps 2012.

Infant mortality rate in Africa

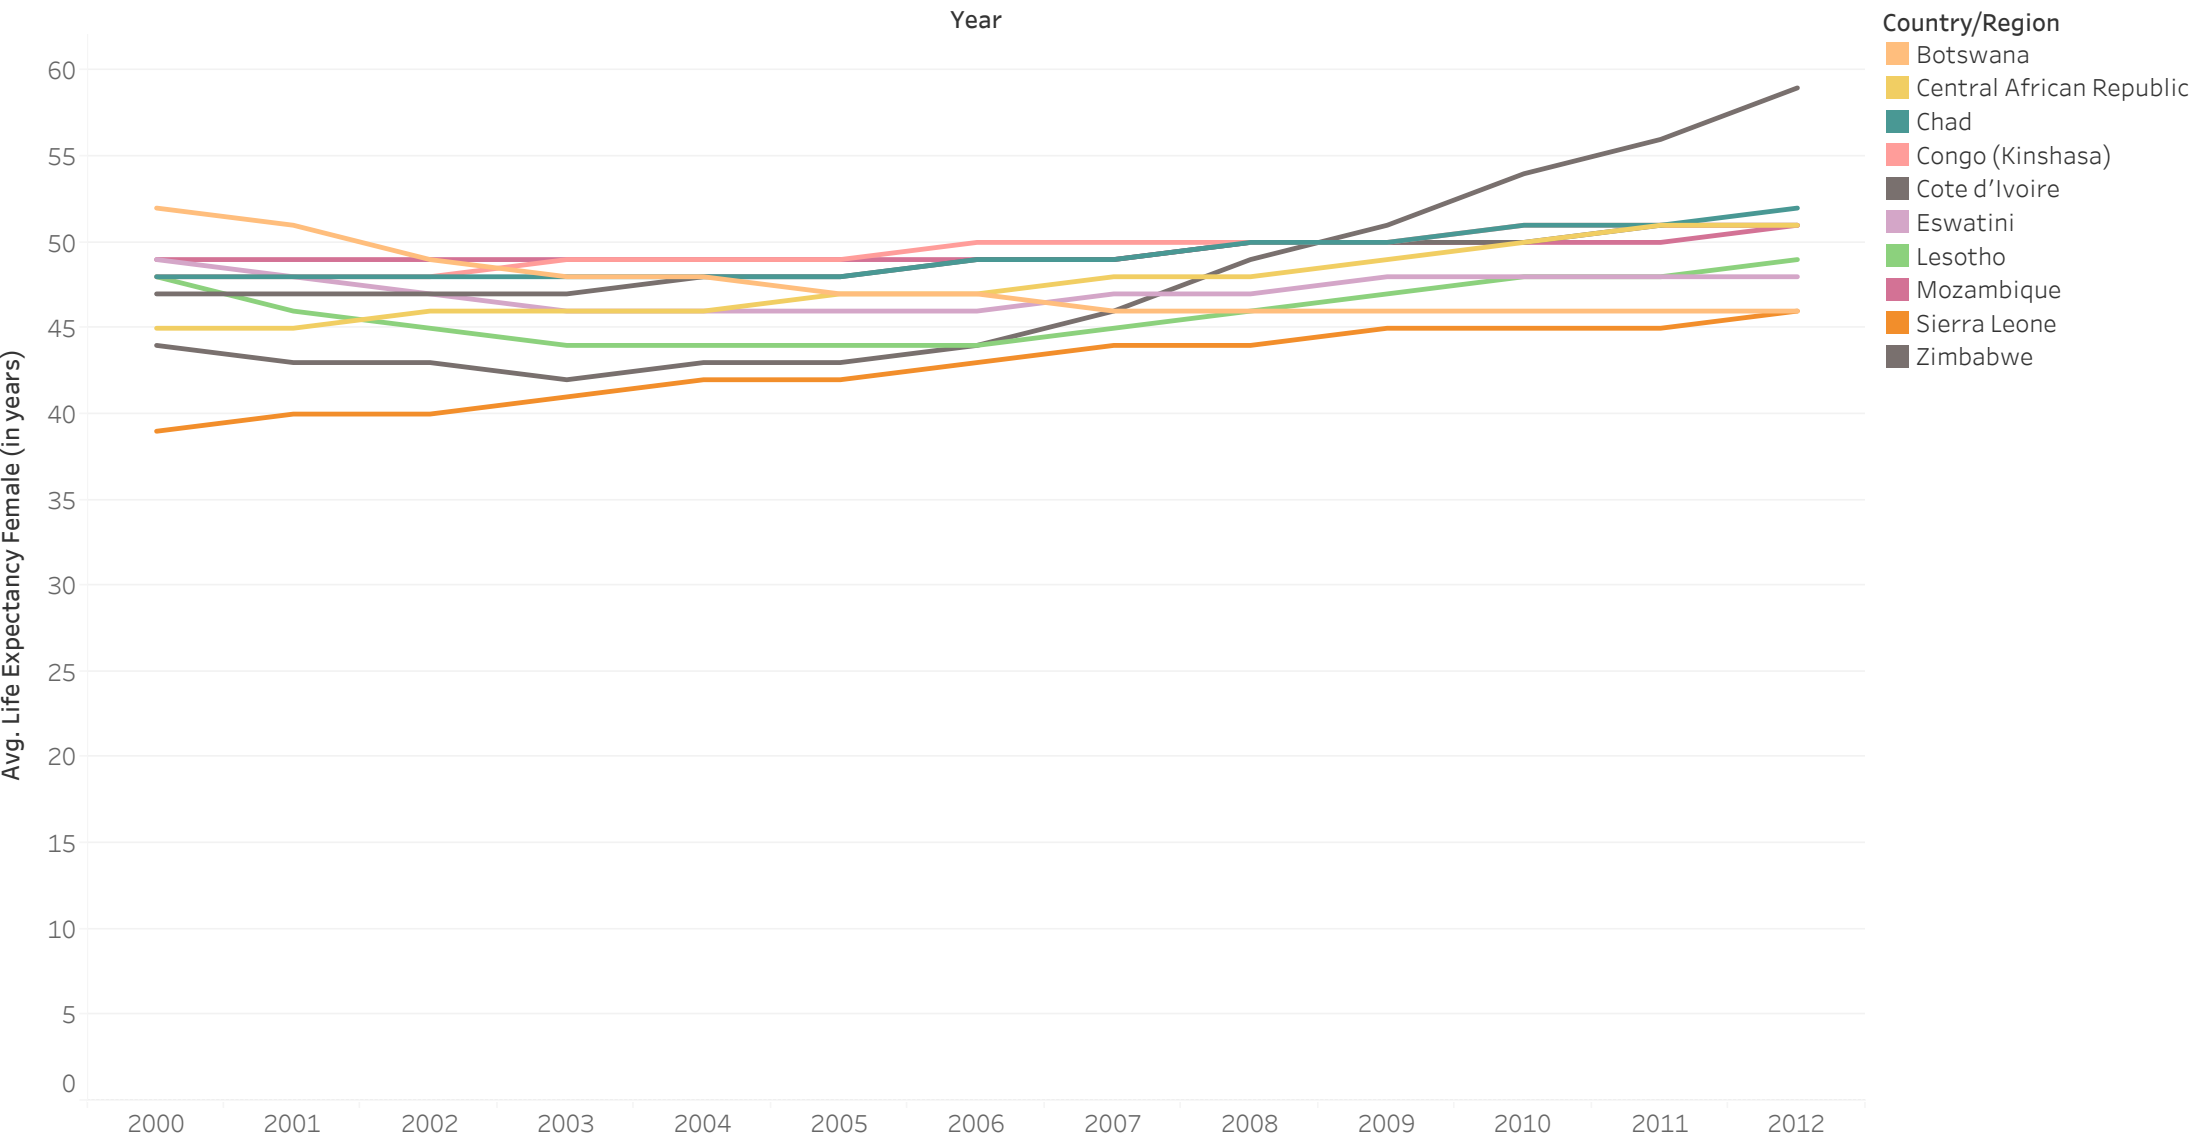

Map based on Longitude (generated) and Latitude (generated). Color shows average of Infant Mortality Rate. The marks are labeled by average of Infant Mortality Rate. Details are shown for Country/Region. The data is filtered on Region and Year Year. The Region filter keeps Africa. The Year Year filter keeps 2012.

Top 10 European countries with highest population 65+ (years 2000-2012)

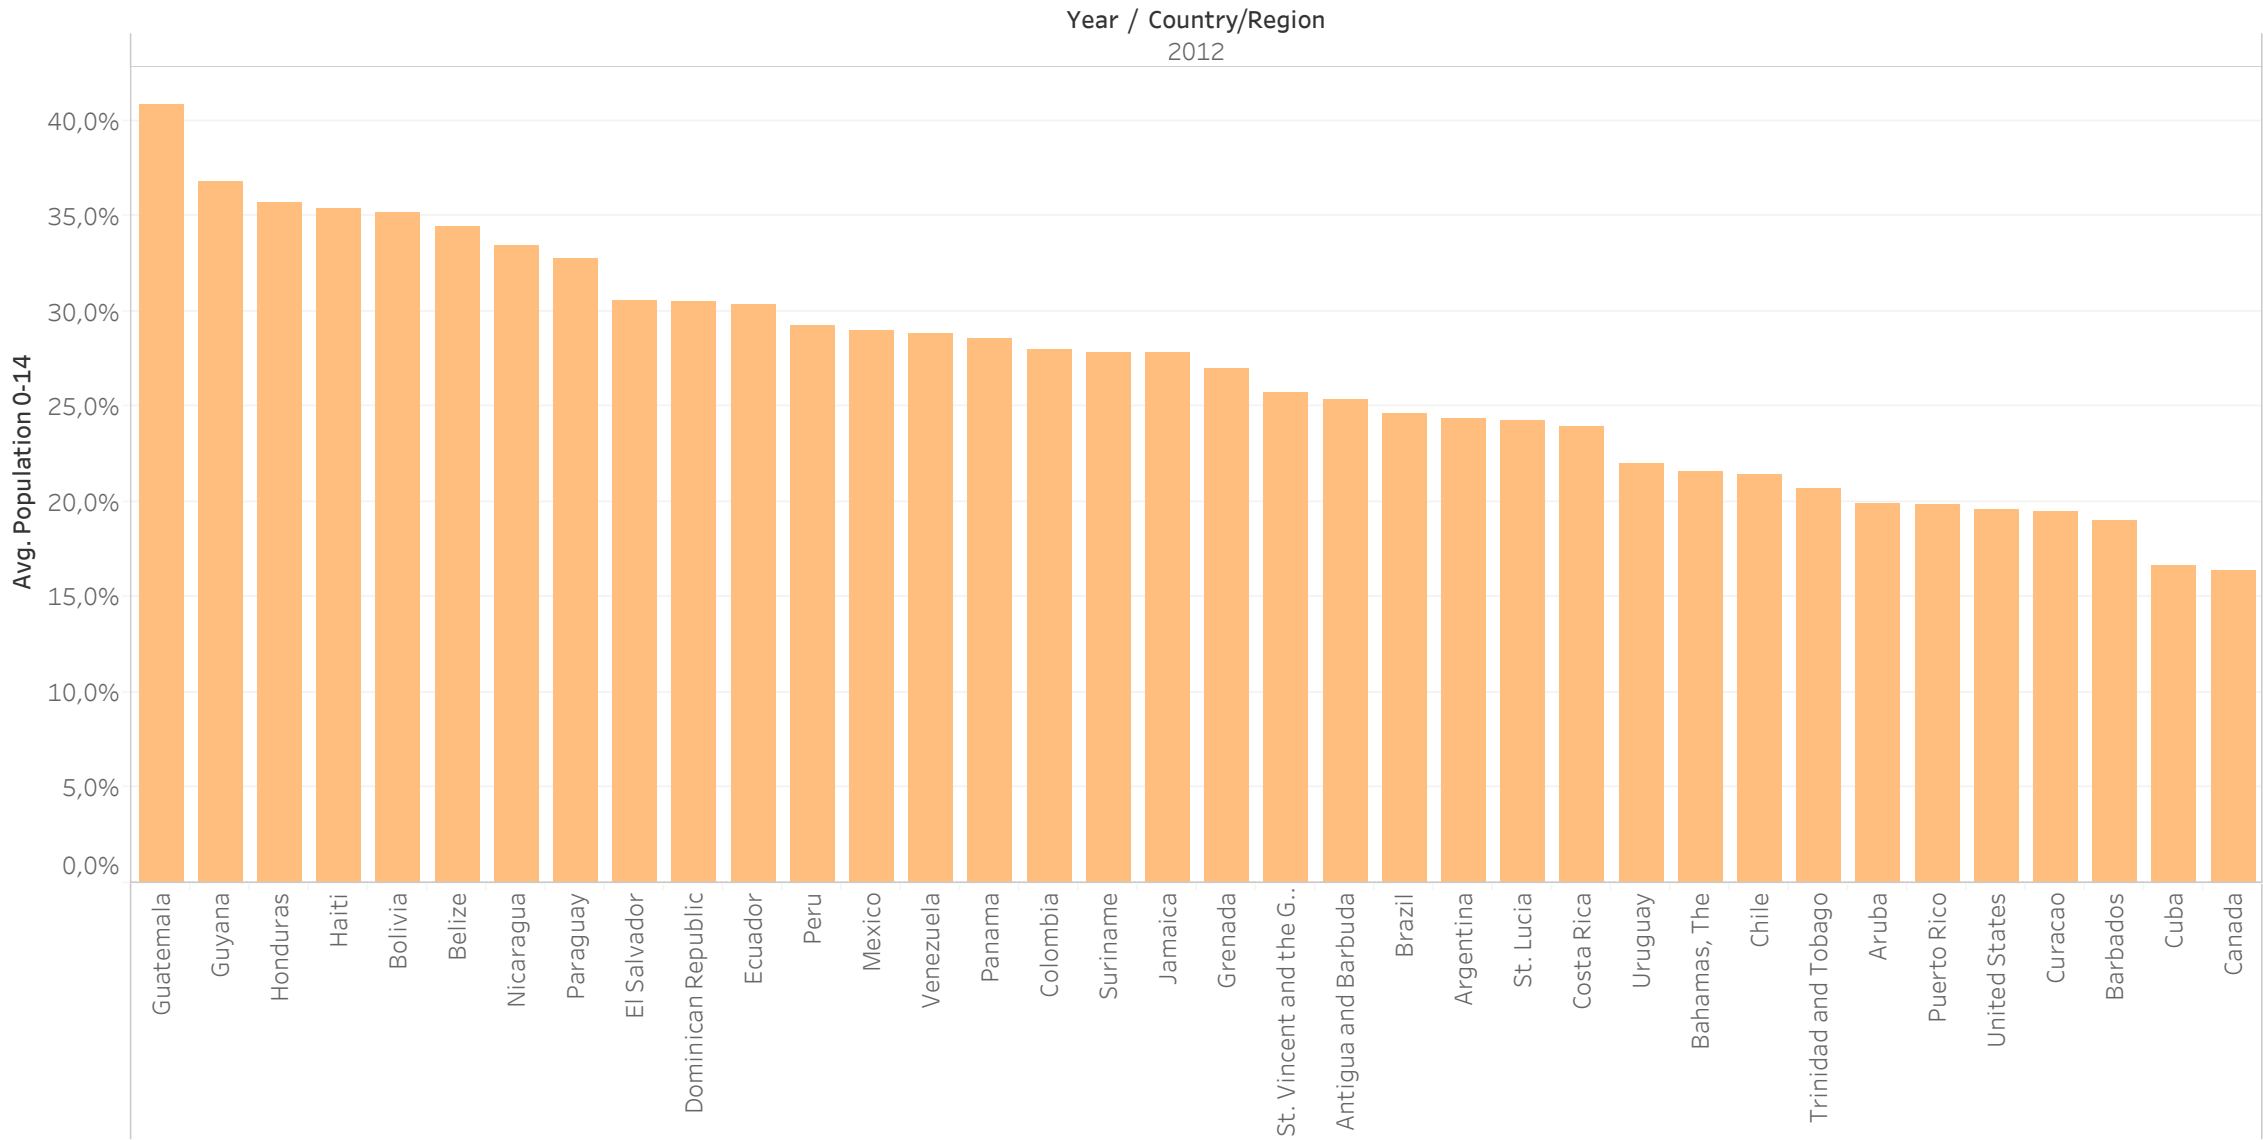

The trend of average of Population 65+ for Year Year. Color shows details about Country/Region. The data is filtered on Region, which keeps Europe. The view is filtered on average of Population 65+ and Country/Region. The average of Population 65+ filter keeps non-Null values only. The Country/Region filter keeps 10 of 207 members.

Bottom 10 African countries with lowest female life expectancy

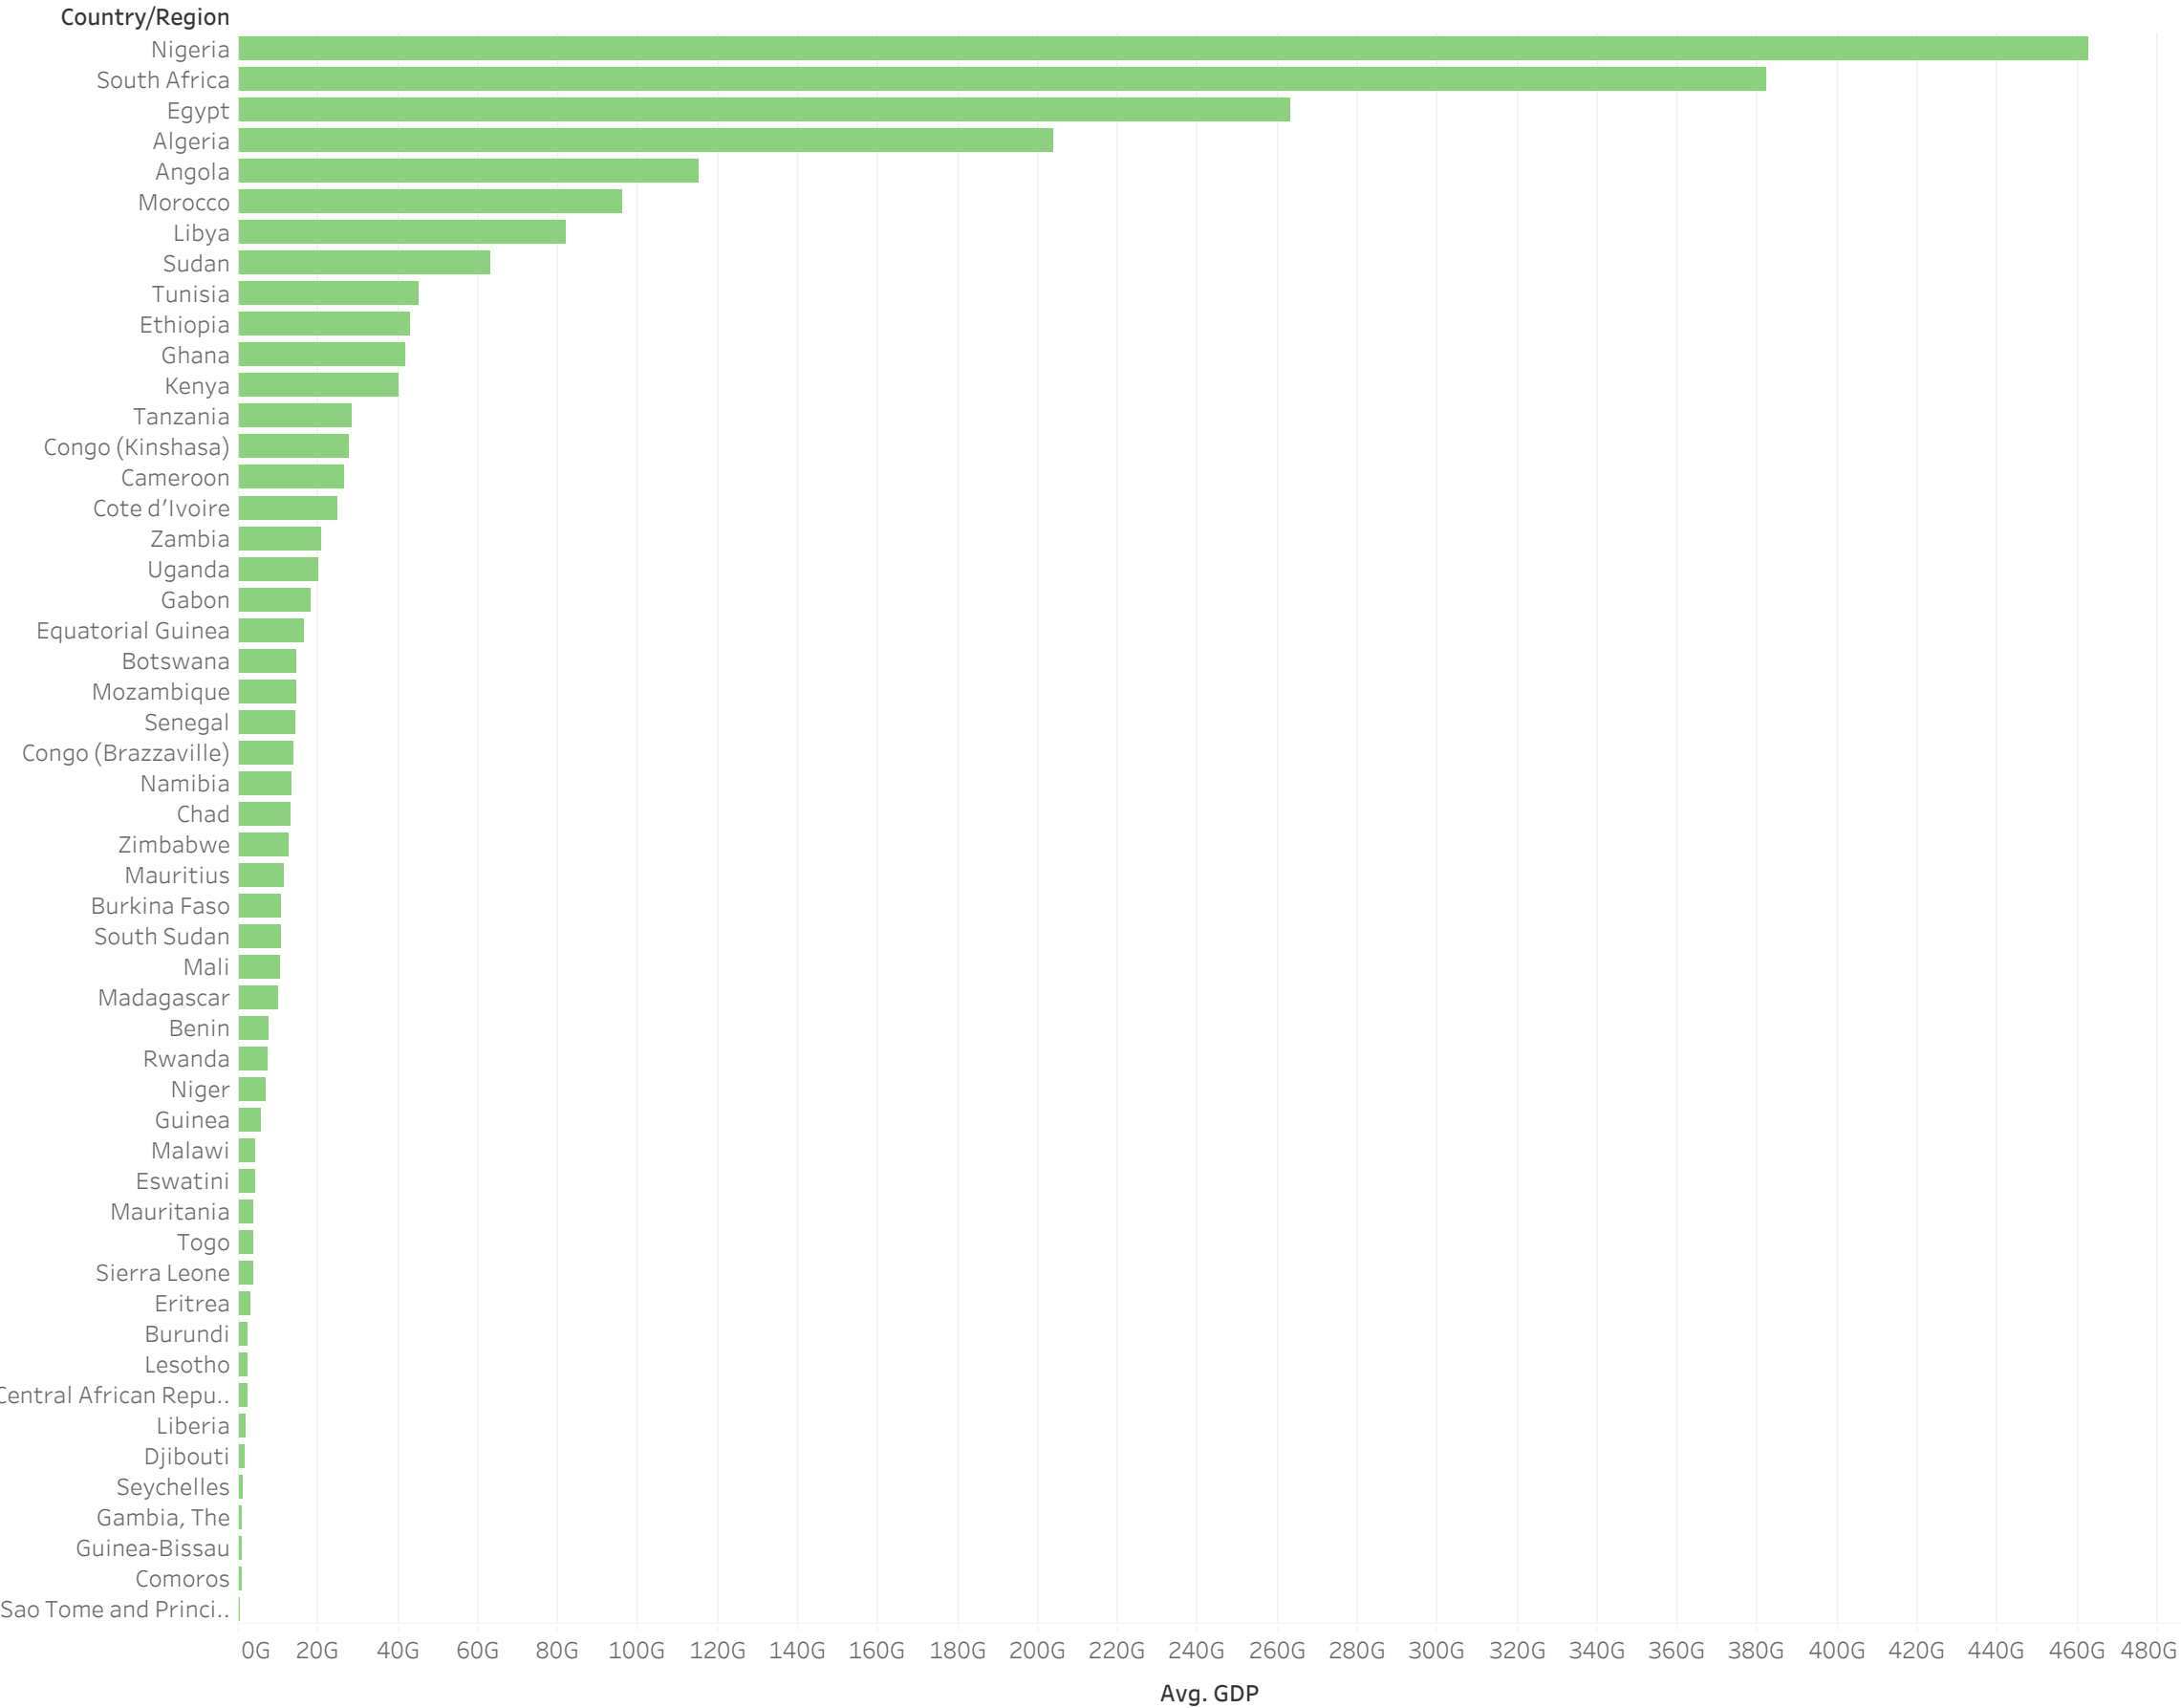

The trend of average of Life Expectancy Female (in years) for Year Year. Color shows details about Country/Region. The data is filtered on Region, which keeps Africa. The view is filtered on average of Life Expectancy Female (in years) and Country/Region. The average of Life Expectancy Female (in years) filter keeps non-Null values only. The Country/Region filter keeps 10 of 207 members.

Percentage of population 0-14 in Americas

Average of Population 0-14 for each Country/Region broken down by Year Year. The data is filtered on Region, which keeps The Americas. The view is filtered on Year Year and average of Population 0-14. The Year Year filter keeps 2012. The average of Population 0-14 filter keeps non-Null values only.

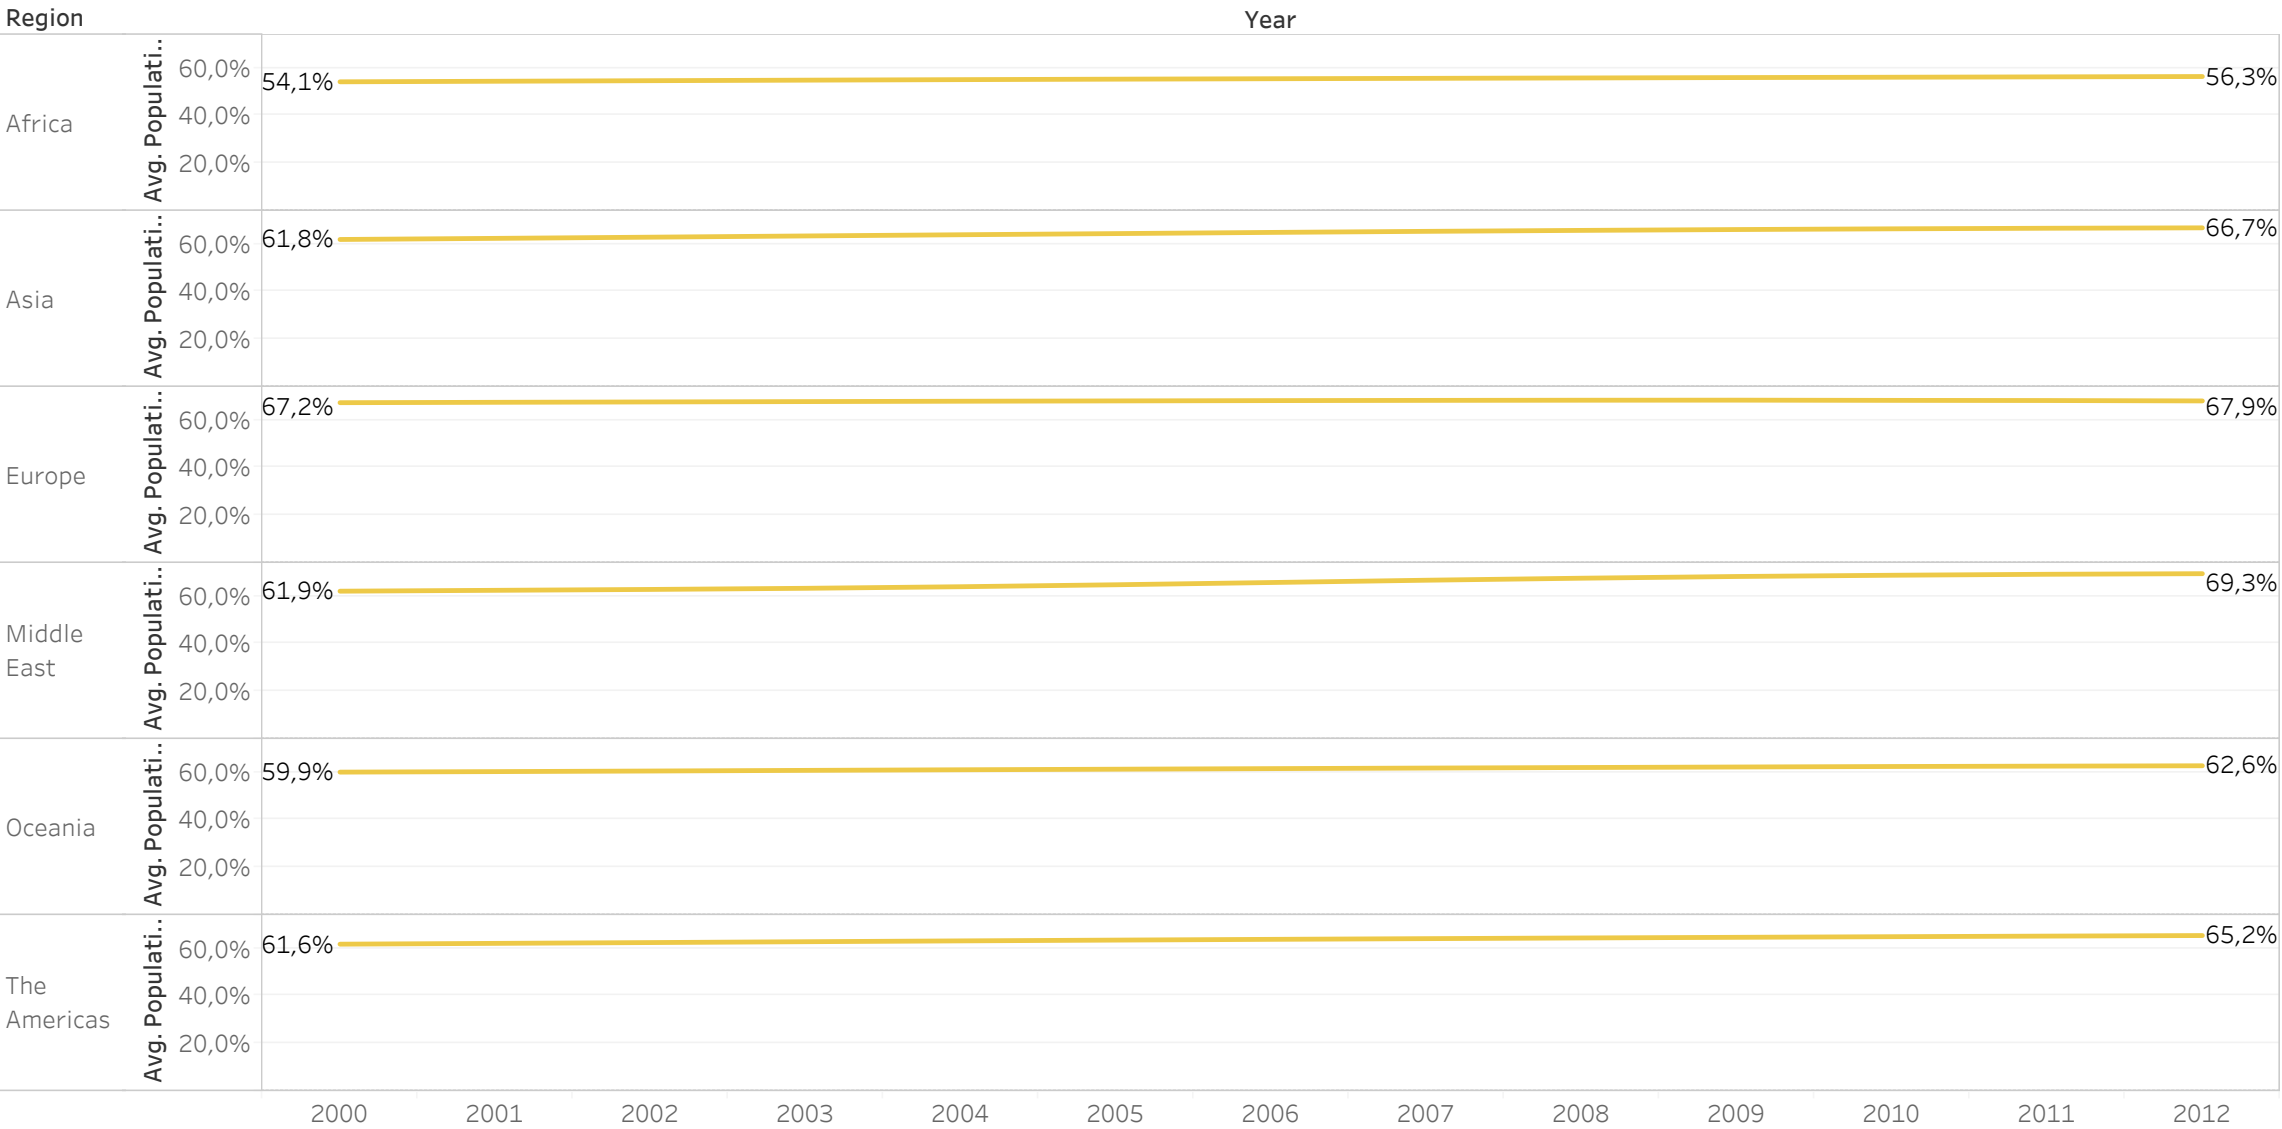

GDP in African countries

Average of GDP for each Country/Region. The data is filtered on Year Year and Region. The Year Year filter keeps 2012. The Region filter keeps Africa. The view is filtered on average of GDP, which keeps non-Null values only.

Population 15-64 on the continents in years 2000-2012

The trend of average of Population 15-64 for Year Year broken down by Region. The marks are labeled by average of Population 15-64.
